Foreign Language Publications

DATE: 4 August 1954

FROM : CIA Representative

SUBJECT: [REDACTED] Summary of Peking Press Economic Items

25X1C

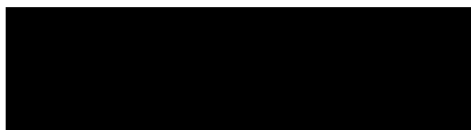

25X1C

1. Two copies of the [REDACTED] press summaries of Chinese economic items are being forwarded to the Foreign Branch of the CIA Library for routing within CIA. A considerable number (approximately 95%) of the items included are available sooner or later to the FDD Far East Branch. To prevent the unnecessary circulation of duplicate material it has been recommended by ORR, and IR of OCD that these summaries be transmitted to the Far East Branch of FDD. Where this information represents an addition to available press information, it will be included in the present FDD China weekly or monthly summaries. A wider distribution through this medium will insure the use of any unique items appearing in the [REDACTED] press summaries.

2. It is proposed that this subcommittee consider the above suggestion and incorporate it as part of the record of recommendation of the subcommittee.
